Subject: RE: German Ambassador Request

Thank you for sending Tate; if there's something else the embassy is seeking we will be promptly responsive.

Alexandra Dapolito Dunn, Esq.
Assistant Administrator
Office of Chemical Safety and Pollution Prevention
US Environmental Protection Agency
Washington, DC

Subject: German Ambassador Request

RJ/ MM- Chad asked me to share this doc with you all. This is my best guess as to what the embassy is referring to. It is our Prop 65 letter to all glyphosate registrants from August of last year. Bayer is the primary registrant.
